Dear OM:

Many thanks for the report on the operations of W9USA at the Centurama. It is a very fine job, and must have involved plenty of work on your part.

We are going to do our best to get an item into October QST covering W9USA, and plan to use the large photo of the "shack." Incidentally, you had a mighty neat layout!

I worked W9UIT recently and asked him if we were to get a report on W9USA and he said you were working it up. It almost missed the October issue. Hi.

Hope to see you on the air one of these nights.. or days. 73.

Sincerely,
E. L. Battey
